The UnProgram idea was developed by the National Academy of Elder Law Attorneys to encourage free discussion among its members. Attendees will have the option to join one of two different discussions during most sessions, and attendees may move between discussions as they wish. In each discussion, there will be a moderator to introduce and frame topics, but discussion will be free-flowing among participants. Group Q & A is very much encouraged among all participants. Discussions will ensue until the end of each session, when attendees will move to the next discussion of their choice. This program format lends itself to discussion of things such as law practice management and the use of technology in the office.

All proceeds go to benefit the Indiana Chapter of the National Academy of Elder Law Attorneys. We thank our discussion moderators for generously donating their time for this seminar.

**THIS PROGRAM DOES NOT
QUALIFY FOR CONTINUING LEGAL
EDUCATION CREDITS**
